Juried Competition Winners - May 3rd

Our Juried Competition was held on Monday, May 3rd in the American Legion Hall. The artists dropped off their paintings at 7 PM. All meandered around to view the wonderful artwork of the contestants. We were then told to go downstairs to the hall for a social gathering while we awaited the outcome of the judges' decisions.

There were more than enough treats to enjoy, thanks to our Hostess, Pat Lee. Conversation was lively and we enjoyed meeting with each other and conversing.

Finally, after what seemed to be a "long time" we were asked to come upstairs where the judges had made their final decisions.

There were two judges, both accomplished artists. They were Kirk Larsen and Christine (?) Sorry about that I didn't get her last name. I'll include it in the next newsletter. They did an excellent job of judging and we were well entertained by their comments and suggestions. It was a very informative evening and enjoyed by all.

The first competition was for the "Equestrian Competition". There were about 18 entries, all of them very well done. However, there was to be one winner. The winner was Nancy Fabrizio with her oil painting "Stable Chores" Nancy will receive recognition for this painting on Sunday, May 6th at 1 PM at Memorial Park. Joanne Adams, Director of Community Relations for the New York Racing Association will make the presentation to Nancy at that time. Her painting will hang in the Club House of the Belmont Racetrack for the remainder of the Summer racing schedule.

Kirk made each of the presentations for the Juried Competition, starting with 3rd place, then 2nd and then Best in Show. There works are displayed on this 1st page of our newsletter.

The Honorable Mention winners are on the next page.
